Dear Educator,

Our children are inundated with negative news, negative messages and negative thinking.

Here's **your chance** to counter this, if only for a moment!

We first tried this last year, and the children and adults who participated felt that it was an extremely worthwhile moment. So now we are going to take this opportunity to ZAZZLE the whole community of Tucson!

Join 100,000-plus kids, and nearly 400,000 adults to create a moment of positive – even electric – energy!

Wednesday, November 21ST, 2007 at 10AM.

It will only take a few minutes of your time and it is very simple!

- 1** 9:58AM Explain the idea to your class.
For more info see www.youvebeenzazzled.org.
- 2** 10:00AM Ask the class to Zazzle for 30 seconds.
- 3** 10:01AM Head a four-minute class discussion about how it felt personally or as part of the group to be in a positive setting.
- 4** Visit www.youvebeenzazzled.org to let us know you participated and to report class results and stories.

Thanks for thinking positive!
